Hi Joe,

Delegate Pushkin has agreed to be the lead sponsor of an accountability and transparency amendment to HB 113.

I think the best thing to do is model an amendment after what Senators Booker, Scott, and Hassan are trying to do in D.C. Currently, there is a bill to add more accountability and transparency to the Federal OZ program. It was part of the original Trump Tax Cuts bill but was removed at the last minute so they are running a stand alone bill that is stuck in the Senate Finance Committee on the Hill.

Here is the text of their bill:

<https://www.congress.gov/116/bills/s1344/BILLS-116s1344is.pdf>

I think we could do the same thing here and the only real difference would be what office is responsible for collecting the data and making sure it is made public. I think our best bet here is to put that in the hands of the state Treasurer.

Happy to discuss more. I think there is some interest in a few other amendments and will touch base later
